PENN STATE ENVIRONMENTAL LAW REVIEW

Abbreviate as PENN ST. ENVTL. L. REV.

The Penn State Environmental Law Review is published three times a year by the students of the Dickinson School of Law of the Pennsylvania State University. The Journal seeks to publish materials discussing all aspects of environmental issues. In an effort to broaden the scope of the Journal, we are also interested in publishing articles discussing issues outside the traditional realm of environmental law, such as risk assessment, toxicology and epidemiology. Please note that views expressed in the Journal are the views of the authors and do not necessarily reflect the policies or opinions of the Journal, its editorial board and staff members, or the Dickinson School of Law of the Pennsylvania State University.

The editors of the Penn State Environmental Law Review encourage submission of unsolicited articles for future publication in the Journal. Interested authors should submit their manuscripts to the Articles Editor, Penn State Environmental Law Review, 150 South College Street, Carlisle, PA 17013. Unfortunately, the Journal cannot return submitted manuscripts unless a self-addressed, stamped envelope is also enclosed. Submissions should be typed and double-spaced. If submitting a work on diskette, please use the latest versions of WordPerfect or Microsoft Word.

Citations substantially conform with *A Uniform System of Citation* (17th ed. 2000), copyright by the *Columbia Law Review*, *Harvard Law Review*, *University of Pennsylvania Law Review* and the *Yale Law Journal*.
