As part of the Dickinson School of Law's merger with Penn State, the *Journal* will be changing its title to reflect this historic event. Beginning with Volume 20, Number 1, Fall 2001, the *Dickinson Journal of International Law* will be known as the *Penn State International Law Review*.

Consistent with Dickinson's long-standing reputation, the *International Law Review* will continue to publish current legal scholarship in the area of international law and will use its new resources to effectuate this goal.
